

Alexandria Gazette

VOL. LXXXIII.

WEDNESDAY, JANUARY 4, 1882.

NO. 3

ESTABLISHED 1800.

Alexandria Gazette for 1882.

THE ONLY DAILY PAPER PUBLISHED
IN NORTHERN VIRGINIA—ONE OF
THE BEST ADVERTISING ME-
DIUMS IN THE STATE.

The ALEXANDRIA GAZETTE and VIR-
GINIA ADVERTISER, begun in 1799, is the
oldest newspaper in the State, and the only daily
published in Northern Virginia.

Already read by three generations, it proposes
to continue its useful life, and now enters upon
another (the eighty-third) volume, determined
to be the newspaper of the era in Virginia.
The Gazette will put forth its utmost endeavor
to continue a model newspaper, and its success
during this entire century in entering to the
wants and meeting the wishes of the people,
guarantees that with this paper promise means
performance.

With the coming year all the improved meth-
ods of making a standard newspaper will be
continued, with such additional facilities as ex-
perience justifies the proprietor in believing
will add to the capacity of the Gazette to serve its
readers. It expects to render faithful service to
the city, the State and the country by a candid
criticism of men and events in the interest of the
people of the Commonwealth of Virginia.
It furnishes the news telegrams of the New
York Associated Press and of Reuters' Euro-
pean agency, being, with but few exceptions, the
only paper between Baltimore and Richmond
that is thus connected with the great fountain-
heads of the world's news.

Its contiguity to Washington gives the Gaz-
ette an early precedence over all the journals
of the State in intelligence of the operations of
the General Government. The proceedings of
Congress will be regularly reported in suc-
cinct form for its columns, but all matters of especial
interest in Virginia will be given in detail, and
the full text of all bills of local interest will be
given.

From the State Capital it will receive early
and accurate accounts of the proceedings of the
General Assembly and of all the operations of
the State government likely to interest the
people.

To meet all the demands upon it, the Gazette
will be made a WASHINGTON and ALEX-
ANDRIA NEWSPAPER, as well as an ALEX-
ANDRIA JOURNAL. The Richmond and
Washington news of past years has left little
improvement, but yet greater effort will be made to
insure absolute perfection in these departments.

As the interests of the people mainly centers,
home, no pains will be spared to chronicle all
matters occurring in the city and neighborhood,
especially including unbecoming expressions or
gross narrative suited for a journal that is treas-
ured at many thousand households of Virginia.

The city of Alexandria will find as usual its
daily history in each evening's issue, and the
intelligence of that section of the Commonwealth
which nature has bound to Alexandria by the
curvature of its mountains or the courses of its
rivers as well as that portion linked to us by the
iron bands of railways, will be sedulously
chronicled.

The past of the Gazette is offered as an index
of its future. It has never failed to avail itself
promptly of all the improvements which come
with the greater growth and more extended ex-
periences of journalism.

In the progress of the growth and enterprise
of our city a Telephone Exchange has been es-
tablished greatly to the benefit of the business
community and with which the Gazette was
early connected thereby putting the office in
immediate communication with all parts of the
city and facilitating the collection of news, &c.

Special attention will be devoted to present-
ing, as well from original sources of information
as from its exchanges, the news of Virginia.

Concise and completely it will give the news
of the world.

The Business and Commercial columns of the
Gazette will be filled with the earliest and most
exact commercial news, edited with such pains-
taking care as will render an error, where even
slight errors are dangerous, impossible. The
farmers, drovers and commercial people of the
State know they may depend upon the Gazette.

Early and reliable reports of the Grain, Cattle,
Grocery and other Markets will be furnished,
and the prices and position of the stocks, which
are the subjects of business transactions in this
section of the country, carefully quoted.

The continual favors of those who have once
used the Gazette as an advertising medium is a
warrant for saying that it pays to advertise in
its columns which experience has shown to afford
greater returns for a small investment than any
other which can be made.

TRUTH ATTESTED.

[Some Important Statements of Well Known
People Wholly Verified.]
In order that the public may fully realize the
genuineness of the statements, as well as the
power and value of the article of which they
speak, we publish herewith the facsimile signa-
tures of parties whose sincerity is beyond ques-
tion. The truth of these testimonials is absolute,
nor can the facts they announce be ignored.
Alexandria, Va., August 4, 1881.
I was thrown from my horse 6 or 7 years ago,
and suffered a severe wound of the side, which
was aggravated by disordered kidneys. Eleven
months ago I was attacked with pneumonia and
bladder disease, deposits of brick dust and ab-
scess being discernible by the naked eye. I was
confined to the house for six months, and was
unable to cross the floor without assistance. My
condition did me no good. Having read in my
religious weekly of the wonderful cures by
your Safe Kidney and Liver Cure, and being
advised to use it by Captain Graham, I did so,
and am once more able to walk the streets. My
pains have left me, and I believe if I had used
it a year ago I should then also have
been cured.
